

TRAVELING MEN GO TO BUFFALO

Splendid Programme Has Been Arranged for Coming Convention of T. P. A.

NEXT MEETING FOR VIRGINIA

Old Dominion Delegations Will Use Jamestown Exposition as Drawing Card.

A large number of Richmond delegates to the national convention of the Travelers' Protective Association, which convenes in Buffalo on Sunday, left the city yesterday afternoon. Some of the party will go by water over the York River Line to Baltimore; thence by rail to Buffalo, and others directly by rail. Those who go by boat will arrive in Baltimore this morning and will be joined there by the delegations from Norfolk, Lynchburg, Alexandria and the Maryland delegations. A special train has been chartered to carry the party from Baltimore to Buffalo.

A splendid programme has been prepared for the visiting delegations. There will be excursions to Niagara, auto rides, reception at Elliott Club, entertainment at Athletic Park, card party and a ball. The convention itself will be one of the most elaborate in the history of the association, and there will be many matters to come before the members for decision, chief among which is the determining of the next place of meeting. The Richmond delegation will make every endeavor to have the convention come to Richmond next year, and there is every reason to believe that the strong drawing card in the shape of the Jamestown Exposition will win the requisite number of votes.

Among the features of the entertainment are duets and solos by Mr. and Mrs. E. H. Clowes, who are always in demand at the national gatherings, where their voices are well known.

IN JUST FIVE WEEKS

A Chronic Invalid Woman Is Restored to Health By Pe-ru-na.

MRS. LIZZIE SHARPE.

MRS. LIZZIE SHARPE, 203 Friendship Street, Providence, R. I., writes:

"Some time ago I wrote you, asking advice in regard to my health, describing my symptoms.

"Following your advice and taking your medicine for only five weeks, I am thankful to say I am a well woman.

"I had suffered for a number of years with constipation, indigestion and female troubles of the worst form. I was unable to do my housework without help.

"After taking Peruna I have experienced the most satisfactory results. I am like a new person. I do all my own housework, thanks to Peruna.

"I want to recommend Peruna to all who are similarly afflicted."

Recommends Pe-ru-na.

Mrs. Mary C. Dart, Cardington, Ohio, writes:

"For two summers I was under a doctor's care, for malaria fever, and I was told that I would just have to wear it out until fall.

"I made up my mind to try Peruna, and since taking it I have not been troubled at all. I have not had chills or fever for five years."

Mrs. Lizzie Lohr, 1165 West Thirtieth Street, Chicago, Ill., writes:

"I take pleasure in writing you these lines, thinking there may be other women suffering as I did.

"Dr. Hartman told me what ailed me and how to take Peruna. Now I am cured."

Annie Pennell, of Reidsville, was painfully injured in a runaway accident six miles north of Salisbury Thursday night. The young couple had started to South River in a buggy to attend a social gathering, and the horse which they were driving became frightened at a dog and dashed into a deep ditch, throwing both occupants to the ground with great force. The horse immediately dashed into another ravine, breaking its neck instantly, entailing a loss to its owners of not less than \$350. Mr. Snider and Miss Pennell, both of whom are very popular here, were carried to Salisbury and will recover.

Lancaster News.

(Special to The Times-Dispatch.)
IRVINGTON, VA., June 9.—Mr. John F. Gouldman, Jr., who has been cashier of the Lancaster National Bank here for the past five years, left this morning for Fredericksburg, Va., to open up the new bank there, which will be known as the Farmers' and Merchants' National Bank.

If all the women in the world who have been saved from a life of wretchedness and misery by Peruna—if all these women could be assembled together, what a multitude they would make.

Women from the North, women from the South, women from the East and women from the West; women in high circles and women in the lowly walks of life; ladies of leisure and housewives. There is no class or nationality that does not furnish a multitude of women who have been afflicted with some chronic ailment peculiar to their sex which has been relieved by Peruna.

In almost every instance these women have tried other remedies and consulted numerous doctors without any favorable or permanent results.

At last they have resorted to Peruna. Generally because some friend has advised it.

They find Peruna to be exactly the remedy they have been looking for for many years.

Peruna is one of those remedies which one woman likes to recommend to another woman.

It is a remedy that relieves promptly and its benefits remain.

Pe-ru-na For Wary Mothers.

Mrs. Mattie Harger, Castle Gate, Utah, daughter of O. A. R. Circle and member Daughters of America, writes:

"Since I have used Peruna in the home we have had no illness of any kind.

"I am the mother of two children. One of them was troubled with catarrh of the head.

"Peruna cured this trouble in less than three weeks.

"The other child had a bad stomach, causing an unpleasant breath and loss of appetite.

"Five bottles of Peruna cured the stomach difficulty.

"I felt worn out and had pains, but after using Peruna for five weeks my health was restored, my strength returned and all pains disappeared.

"I recommend Peruna as a special benefit to weary mothers and children."

Keeps Pe-ru-na in the House.

Mrs. Christina Steeven, New Holstein, Wis., writes:

"It is with pleasure that I inform you that I am well.

"I followed your instructions and took Peruna and Manalin.

"I am now able to do my housework again.

"I thank you many times, Dr. Hartman, for your valuable advice.

"I believe, had I not taken Peruna, I would not be among the living.

"Whenever I have a little indigestion I take a dose of Peruna, and it helps me.

"I keep Peruna in the house now."

Mrs. Carrie King, 730 North Cascade, Colorado Springs, Col., writes:

"Peruna has been my favorite and only household remedy for nearly five years. I have suffered for years with biliousness and kidney and liver troubles. However, Peruna cured me—twelve bottles made me a new and healthy woman."

Mr. Gouldman's wife accompanied him. His brother, Gordon Gouldman, of Fredericksburg, will be the assistant cashier. Professor D. R. Anderson, his wife and brother, Joseph Anderson, who has had charge of the Chesapeake Academy here for the past three years, left today for their new field of educational work in the city of Venice, Italian Territory.

W. McD. Lea, chairman of the Board of Fisheries, is cruising around the James River this week, looking after the oyster interests there.

Call for Information.

WASHINGTON, June 9.—Representative Fulkerson, of Missouri, has introduced a resolution calling upon the president to have the secretary of agriculture to make public immediately any and all information they may secure from the great army of inspectors employed by the government, or from any other source that will tend to credit or discredit the product of any plant where meat products are produced.

The resolution also calls upon the secretary of agriculture to give to the public his opinion of the sanitary condition of the plants and the healthfulness of the products coming from the various plants.

FOODSTUFFS ABOUND FOR THE MARKETS

Fruits and Vegetables Line
Hucksters' Stalls in Greatest Profusion.

The market yesterday was filled with all sorts of fruits and vegetables, and for the busy purchaser out to buy her daily necessities there was found nothing lacking in the way of tasty foodstuffs. Berries have now come into great preponderance and the prices are within the reach of every market, as was evidenced by the sale of the juicy fruits all day yesterday. Then there were cherries and peaches set in appealing rows—

oranges, bananas and gooseberries, so that he who hungers need not starve, if he but have the little necessary wherewithal to secure the products of earth that were but lately deemed but luxuries and too expensive for the ordinary people.

Nor was there any lack of vegetables, for all the truck gardens in the country round are profuse in their yieldings, and the various stalls of the market are bountifully supplied every day with the more homely but the more necessary food products that must go to the daily feeding of man. English peas, snaps, egg plants, cucumbers, cymbalings, lettuce, cabbage and many others are seen in honteous profusion.

The prices quoted yesterday were as follows: Strawberries, 15c a quart; two quarts for 25c; cherries, 15c and 20c a quart; peaches, 15c a quart; oranges, 40c and 50c a dozen; lemons, 20c and 25c a dozen; bananas, 15c and 20c a dozen; gooseberries, 15c a quart; two quarts, 25c; canteloupes, two for 25c; potatoes, old, 20c a half-peck; new, 50c a half-peck; beets, 5c a bunch; carrots, 15c a bunch; radishes, 15c a bunch; pineapples, 15c and 20c apiece; cucumbers, three for 10c; cymbalings, 50c a dozen; asparagus, 20c and 25c a bunch; snaps, two quarts, 15c, and 25c a half-peck; English peas, two quarts, 15c, 25c a half-peck; lettuce, 5c a head; cabbage, 5c a head; onions, 5c a bunch; raspberries, 50c a pint; blueberries, 15c a quart; two quarts, 25c; hens, 50c and 60c apiece; spring chickens, 20c and 30c apiece; ducks, 15c and 18c a pair.
